Leave me alone- I'm a freak
Leave me alone- make it easy for yourself
Everywhere I go they all stare
I don't understand why they care
They stare at me in all black
And when I turn they stare at my back
All these things can't,
All these things don't--
Let me go.
Leave me alone- I'm a freak
Leave me alone- make it easy for yourself
Everywhere I go they all stare
I don't understand why they care
And I don't want to be a part of your world
And I don't want to see the things you see
Can't you understand how I feel?
Can't you let me be?

Please, leave me alone
Please, leave me alone
Please, leave me alone
Please, leave me alone
