Stranger the darkness a hint of perfume  
Rising from your lips towards the window  
The sunlight is twisting lines in my eyes  
Leaving me far too dizzy, to see

What am I supposed to do?  
When I feel nothing, but I want to?  
What am I supposed to say?  
No one ever listens, anyway

I want to forgive, and I want to forget  
But I can't seem to break out of this, yet  
As I'm haunted by heartache and visions of things  
That widens, the gulf, between us

What am I supposed to do?  
When I feel nothing, but I want to?  
What am I supposed to say?  
No one ever listens, anyway
