When this old world  
Starts getting me down  
And people are just  
Too much for me to face

I climb right up to  
The top of the stairs  
And all my cares  
Just drift right into space

On the roof's  
As peaceful as can be  
And there the world below  
Can't bother me

Let me tell you now  
When I come home  
Feeling tired and beat  
I go up where the air  
Is fresh and sweet  
(Up on the roof)

I get away  
From the hustling crowd  
And all the rat race noise  
Down in the street

On the roof's  
The only place I know  
Where you just have  
To wish to make it so

Let's go, let's go  
Up on the roof

At night, the stars  
Put on a show for free  
And, darling, you can  
Share it all with me

Let me tell you now  
When I come home

Feeling tired and beat  
I go up where the air  
Is fresh and sweet

I get away  
From the hustling crowd  
And all the rat race noise  
Down in the street

(Up on the roof)  
Up on the roof  
(Up on the roof)  
Up on the roof
