[Tennessee, Doom, Cargo]

How the hell did I end up like this  
With no target how can I miss?  
Lust is nothing  
But a fading memory  
Look at all the pride I swallow  
And you're calling me shallow  
This isn't anger. This isn't envy  
This is my life  
This is a fucking mistake  
Will silence ever embrace me?  
Will history ever erase me?

It should have read "Though I  
Walk through the valley of the  
Shadow of death I shall fear no  
Evil for NO ONE art with me"

When a disease is fatal  
Even the knife looks good  
It will never pass  
When you're baptized  
In broken glass

Will I ever feel like I've won  
And forget the damage I've done?  
Or will this fucking lie go on forever?  
I have stopped daring to care  
Cause this is going nowhere  
But still I just won't let go

This is too much  
This is way too little  
Will silence ever embrace me?  
Will history ever erase me?

It's been 25 years of consecutive suicides.  
It can't complain

When a disease is fatal  
Even the knife looks good

It will never pass  
When you're baptized  
In broken glass

Opportunities missed!  
Kiss my ass!  
I was baptized in broken glass  
Opportunities missed!  
Go kiss my ass!  
Cuz' when you're baptized in broken glass  
Nothing hurts  
Nothing hurts  
It will never pass  
When you're baptized  
In broken glass

When a disease is fatal  
Even the knife looks good  
It will never pass  
When you're baptized  
In broken glass
