[Tennessee, Doom, Cargo]

I do my best.
Don't even start to ask me why
There is no truth, so how the hell
Can you call me a liar
Life is a game, and I fucking lost it,
But still YOU cry?
Wish I had a heart,
At least I could die
Die!

Please somebody
Take my mind off my mind
(Don't bother to come.
I drink alone.)
Just by living,
I'm taking my own life
(Don't bother to come.
I drink alone.)
Tomorrow is gonna be too much
(Don't bother to come.
I drink alone.)
I'm ending this joke
I'm pulling the plugs.

I am never going nowhere,
So stay the fuck away,
When it comes to pity, I'm a martyr
You don't know, and really you
Don't wanna go there
Zevon really nailed it: "The hurt
Gets worse and the heart gets harder"

Please somebody
Take my mind off my mind
(Don't bother to come.
I drink alone.)
Just by living,
I'm taking my own life
(Don't bother to come.
I drink alone.)

Tomorrow is gonna be too much
(Don't bother to come.
I drink alone.)
I'm ending this joke
I'm pulling the plugs.

'Cause I drink alone
It takes life time to master
I don't wanna master goddamn thing!
I just want to get everything faster!

Please somebody
Take my mind off my mind
(Don't bother to come.
I drink alone.)
Just by living,
I'm taking my own life
(Don't bother to come.
I drink alone.)
Tomorrow is gonna be too much
(Don't bother to come.
I drink alone.)
I'm ending this joke
I'm pulling the plugs.

I drink alone
Alone!
