Born wrong, you are marked child
Your fathers have sinned, time to pay
Son of Sodom, let me cleanse you
I'm your nightmare but also your way

I'll paint you with a knife
Carve in my words on a clean fresh page
I'll paint you with a knife
Bonewhite and red, all the colours of rage.

Two y's, that means warfare
Not the bringing of life, can't you see
You bleed, for salvation
But you haven't so now it's up to me.

I'll paint you with a knife
Carve in my words on a clean fresh page
I'll paint you with a knife
Bonewhite and red, all the colours of rage.

I'll be your fuckin' icon!
