[Doom, Cargo]

I am what I am, so stop whining
For the love of God, I'm not
Hiding
I have accepted my faith
Man you look good.
Boy I can't wait

It's gonna give me nothing
It'll ruin everything
But your pussy is a graveyard
And I'm dying to get in
Changing my ways
Although I was wrong
So fuck y'all. This life is too long

Ironic how the things
I end up pursuing
Are the same fucking actions
That I hate myself for doing
I have free will
But I have chosen not to listen
This is too much
But at least there's nothing
That I'm missing
Nothing!

It's gonna give me nothing
It'll ruin everything
But your pussy is a graveyard
And I'm dying to get in
Changing my ways
Although I was wrong
So fuck y'all. This life is too long

Fuck y'all
Older than Jesus, but twice as
Bitter
So fuck y'all. This life is too
Long
