One place left in heaven
The stat is branded Max
Time to go for a winner
Before the dam cracks
Take a look at purity
Take a look at pride
You better pledge your allegiance
Or run and hide
Run and hide

You don't even wanna be saved do you?
Sieg Christ
(But) when you change your mind this what you do
Sieg Christ
I want you all to the hail the new Jew
Sieg Christ
The only words you'll ever need are just those two
Sieg Christ

Time to pick a new leader
Someone who'll guide you home
A norwegian carsar
On his road to Rome
So get the fuck out of Babylon
Have the will to win
I am the new messiah
So kneel before your king
Kneel

You don't even wanna be saved do you?
Sieg Christ
(But) when you change your mind this what you do
Sieg Christ
I want you all to the hail the new Jew
Sieg Christ
The only words you'll ever need are just those two
Sieg Christ

Hail the new messiah

You don't even wanna be saved do you?
Sieg Christ

(But) when you change your mind this what you do
Sieg Christ
I want you all to the hail the new Jew
Sieg Christ
The only words you'll ever need are just those two
Sieg Christ
