[Bartender, Doom, Cargo]

I can't hear what you're saying  
My nerves are too loud  
So I insist that you're  
Lying to me again  
Well, at least I'm proud

You really think I can be saved  
Don't bother. Don't bother  
I know I'm headed for my grave, so  
Don't bother. Don't bother  
You think we have a future  
Don't bother. Don't bother  
I only say whatever suits you, so  
Don't bother. Don't bother

Don't bother!

Not a word  
That you're saying is true  
One more lie  
And I swear that we're through  
Trying hard  
To believe my own words  
That's what we liars do

So I fucked your best friend  
At least she wasn't your daughter  
It's a sea of human shit  
And I'm just treading water

You really think I can be saved  
Don't bother. Don't bother  
I know I'm headed for my grave, so  
Don't bother. Don't bother  
You think we have a future  
Don't bother. Don't bother  
I only say whatever suits you, so  
Don't bother. Don't bother

Thrown into the vomitory

Without warning  
Wrapped in blood  
It's gonna be a violent morning

You really think I can be saved  
Don't bother. Don't bother  
I know I'm headed for my grave, so  
Don't bother. Don't bother  
You think we have a future  
Don't bother. Don't bother  
I only say whatever suits you, so  
Don't bother. Don't bother

My own health  
Is gonna be the least of our worries  
Swallow my own teeth  
And tell you that I'm sorry
