I know I went too far  
And I admit that I'm defeaded  
Was this the lipstick in my vomit,  
That told you that I had cheated?  
A rookie mistake  
Never was a pro

Our love has always been  
Like WORLD WAR 2  
It's a long time ago

I stay close to the ground  
To lessen the sound  
Of the whip as it cracks,  
When they let loose the hounds

What bleeds must be butchered,  
So now it all ends HERE  
You say I'll die alone,  
Well baby, I don't care  
I don't care!

My dirt is so thick,  
It ain't worth it coming clean  
So I stick to what I know  
Denying everything  
I know, I know  
There's no excuse  
But at least it won't make  
You feel any worse  
When all hell breaks loose

I never asked for an easy life  
I just wanted something stable  
It hasn't served me forgiveness  
So I've left the fucking table

Every single time it just keeps  
Getting tougher  
Leaving me only with a new heart  
In which to suffer  
What bleeds must be butchered,

So now it all ends here  
You say I die alone,  
Well baby, I don't care

In between heartbeats there's  
A silent grind  
That even my fears can't hide  
It's the sound of my own flesh  
Being eaten from the INSIDE  
From the INSIDE

Every single time it just keeps  
Getting tougher  
Leaving me only with a new heart  
In which to suffer  
What bleeds must be butchered,  
So now it all ends here  
You say I die alone,  
Well baby, I don't care
