[Narrator: Michael Kiske]

[Narrator:]

Blessed land, the shining star
Once again in light you are
Broken lives are mended
Though minds never forget their scars

[Angelic Ainae Choir:]

Aindahaj, etinae shalae outhaed infinisme
Aindahaj, yathe jebri swrutaen caore shawrtoumisme

[translation:]

(Aina, your infinite beauty restored
Aina, perhaps this time it will remain always)

[Narrator:]

Blessed land, your Queen's returned
The fires purging Naschtok burn
Broken hearts are tended
Though lonely lovers will always yearn

[Angelic Ainae Choir:]

Detha ritou jaeneb Ainaen
Esswr xoujaen hemaldath
Lem shawretou d'elaewr enon
Valaewrth ritanwr lordath

[translation:]

(Light shines again
In the House of Ainaen
Forever is a long time
Better to be cautious)
