[Sorvahr: Thomas Rettke]

[Krakhon Choir:]
Syrius! [3x]

[Sorvahr:]
*All behold- my masterpiece shines
He'll take control and blur all the lines*

*All bow down - he plan is complete
He'll wear the crown and taste of the sweet
Our wondrous dawning is nigh
Now sing out his song to the sky!*

[Chorus:]
*Praise unto the Child of Darkness
Soon the Hand will strike out again
Praise unto the Son of Sorvahr*

*Destiny's spoken
We'll ride out to rule again*

[Krakhon Choir:]
Syrius! [3x]

[Sorvahr:]
*Hear me now, his name rings out proud
And Syrius will shake all the ground*

*Reign supreme, will our little Master
Lead the team to crush all the bastards
Our wondrous dawning is nigh
Now sing out his song to the sky!*

[Chorus]

All behold- my masterpiece shines!

[Chorus]
