Come closer and see
See into the trees
Find the girl
If you can
Come closer and see
See into the dark
Just follow your eyes
Just follow your eyes
I hear her voice
Calling my name
The sound is deep
In the dark
I hear her voice
And start to run
Into the trees
Into the trees

Into the trees

Suddenly i stop
But i know it's too late
I'm lost in a forest
All alone
The girl was never there
It's always the same
I'm running towards nothing
Again and again and again and again

She said "could you take me home tonight?
It's the only way i know."
She said "could you take me home tonight?
There's no other way i know."
She said "you know the way you used to do."
"of course i'll take you home."
"you know the way you used to do."
"of course i'll take you home."
This kiss could cost my life.
Is all you see in her eyes.
This kiss could cost my life.
Is all you see in her eyes.
It's all you see in her eyes.
She said "take my hand, take me home."

She said "take my hand, take me home.
Take me home.
Take me home.
