The sun rises slowly
The sun rises slowly
On another day
On another day
The eastern sky grows
The eastern sky grows
Cold
Cold
Winter in water colours
Winter in water colours
Shades of grey
Shades of grey

Something
Something
Something holds me
Something holds me
Holds me hypnotized
Holds me hypnotized

I stare at the window
I stare at the window
Stare at the window
Stare at the window
Waiting for the day
Waiting for the day
To go
To go
Winter in water colours
Winter in water colours
Shades of grey
Shades of grey
