### "High"

when i see you sky as i kite  
as high as i might  
i can't get that high  
the how you move  
the way you burst the clouds  
it makes me want to try

when i see you sticky as lips  
as licky as trips  
i can't lick that far  
but when you pout  
the way you shout out loud  
it makes me want to start  
and when i see you happy as a girl  
that swims in a works of magic show  
it makes me bite my fingers through  
to think i could've let you go

and when i see you  
take the same sweet steps  
you used to take  
i say i'll keep holding you  
my arms so tight  
i'll never let you slip away

and when i see you kitten as a cat  
yeah as smitten as that  
i can't get that small  
the way you fur  
the how you purr  
it makes me want to paw you all  
and when i see you happy as a girl  
that lives in a world of make-believe  
it makes me pull my hair all out  
to think i could've let you leave

and when i see you  
take the same sweet steps  
you used to take  
i know i'll keep on holding you

in arms so tight  
they'll never let you go
