I know that I don't love you  
But I tell you that I do  
But I only buy you flowers  
If I want anything from you

You say that if you'll leave me  
It will put me on a shelf  
But I don't need you girl

I just need myself  
I just need myself

You trust in all my lies  
You'll believe it when you see it  
That I'll be with you forever  
So you let me have my way

I say stay with me baby  
And I lavish you with wealth  
But I'll make it that I'll leave you

'Cause I just need myself  
I just need myself

I know that I don't love you  
But I tell you that I do  
But I only buy you flowers  
If I want anything from you

You say that if you'll leave me  
It will put me on a shelf  
But I don't need you girl

I just need myself  
I just need myself

I just need myself  
I just need myself

I just need myself  
I just need myself

I just need myself  
I just need myself

I just need myself
