I paint your nails
and brush your hair
and tell you that you are so very
beautiful.
I whisper in your ear
and on my knees I tell you that you are
desirable.

You don't need to cage me,
to close all the doors,
as long as you need me
I will always be yours.
Play with me
Play with me

I stroke your neck
and lick your lips
and do just what you tell me to do.
Sometimes I'll be cruel and disobey,
but only when you want me to.

Don't need to cage me,
to close all the doors,
as long as you need me
I will always be yours.

Play with me
Play with me

I know that you need me.
I know that you care.
You know that I may not love you but,
I will always be there.

I paint your nails
and brush your hair
and tell you that you are so very
beautiful.
I whisper in your ear
and on my knees I tell you that you are
desirable.

Don't need to cage me,
to close all the doors,
as long as you need me
I will always be yours.
Won't you play with me?

Play with me
Won't you play with me?
Please come play with me
