"Prayers For Rain"

You shatter me your grip on me a hold on me so dull it
kills

You stifle me infectious sense of hopelessness and
prayers for rain

I suffocate I breathe in dirt and nowhere shines but
desolate

And drab the hours all spent on killing time again all
waiting for the rain

You fracture me your hands on me a touch so plain so
stale it kills

You strangle me entangle me in hopelessness and
prayers for rain

I deteriorate I live in dirt and nowhere glows but
drearly and tired

The hours all spent on killing time again all waiting for
the rain

You fracture me your hands on me a touch so plain so
stale it kills

You strangle me entangle me in hopelessness and
prayers for rain

Prayers for rain

Prayers for rain

Prayers for rain
