Go go go
Go go go
Push him away
No no no
No no no
Don't let him stay

He gets inside to stare at her
The seeping mouth
The mouth that knows
The secret you, always you

A smile to hide the fear away
Oh, smear this man across the walls
Like strawberries and cream
It's the only way, it's the only way to be
It's the only way to be, yeah

Exactly the same clean room
Exactly the same clean bed
But I've stayed away too long this time
And I've got too big to fit this time
