Oww!

Tomorrow I can start again  
Back to earth and carry on  
The same as I did yesterday  
Yeah, I'll pick it up once more  
And morning I'll be onto it  
From square one start  
And push it for a bit  
Like I do everyday  
I'll get it down for sure

But tonight  
I climb with you  
Tonight  
So high with you  
Tonight  
I shine with you  
Tonight  
Oh, I'm so alive with you

Tomorrow I'll begin anew  
With heavy head to hold it  
As I do it all like yesterday  
Yeah, I'll break it out again  
And morning I'll be there in time  
For clock back move  
And make it for awhile  
To get through everyday  
I'll roll it out the same

But tonight  
I climb with you  
Tonight  
So high with you  
Tonight  
I shine with you  
Tonight  
I'm so alive with you

It's always here and never there  
With you

It's always here and never where  
With you  
It's always here and never how  
With you  
It's always here and always now

Tomorrow I will start again  
Back to earth and carry on  
The same as I did yesterday  
Yeah I'll pick it up once more  
And morning I'll be onto it  
Square one start  
And bit a for it push  
Like I do everyday  
I'll get it down for sure

But tonight  
I climb with you  
Tonight  
So high with you  
Tonight  
I shine with you  
Tonight
