### "This Is A Lie"

How each of us decides  
I've never been sure  
The part we play  
The way we are  
How each of us denies any other way in the world  
Why each of us must choose  
I've never understood  
One special friend  
One true love  
Why each of us must lose everyone else in the world

However unsure  
However unwise  
Day after day play out our lives  
However confused  
Pretending to know to the end

But this isn't truth this isn't right  
This isn't love this isn't life this isn't real  
This is a lie

How each of us believes  
I've never really known  
In heaven unseen and hell unknown  
How each of us dreams to understand anything at all  
Why each of us decides  
I've never been sure  
The part we take  
The way we are  
Why each of us denies every other way in the world

However unsure  
However unwise  
Day after day play out our lives  
However confused  
Pretending to know to the end

But this isn't truth this isn't right  
This isn't love this isn't life this isn't real  
This is a lie

This isn't truth this isn't right  
This isn't love this isn't life this isn't real  
This is a lie
