It's funny how your face gets bigger  
Gets bigger in this atmosphere  
And your mouth goes dry  
With every move you try  
It's so funny here

Jumping around  
Click click click  
When you're so slow  
It's like the world is stopping

Fifteen times I try this  
And every time I faint  
You look at me and  
Start to tell the joke  
About the man who couldn't stop  
Hiccuping

It would be so perfect  
If you would just fall out the window  
Throw your foot away  
You're tired and your face is gray  
Like the sad old fool  
You groove

Hey hey hey  
Hey hey hey  
Hey hey hey

It's funny how your face gets bigger  
Gets bigger in this atmosphere  
And your mouth goes dry

It would be so perfect  
If you would just fall out the window  
Throw your foot away  
You're tired and your face is gray  
Like the sad old fool  
You groove

Hey hey hey  
Hey hey hey

Hey hey hey

Throw your foot away

Throw your foot away
