### "Torture"

I'm in the room without a light  
The room without a view  
I'm here for one more treacherous night  
Another night with you  
It tortures me to move my hands  
To try to move at all  
And pulled  
My skin so tight it screams  
And screams and screams  
And pulls some more

Hanging like this  
Like a vampire bat  
Hanging like this  
Hanging on your back  
I'm helpless again

My body is cut and broken  
It's shattered and sore  
My body is cut wide open  
I can't stand anymore  
It tortures me to move my hands  
To try to move at all  
And pulled  
My skin so tight screams  
And screams and screams  
And screams some more

Hanging like this  
Like a vampire bat  
Hanging like this hanging on your back  
Oh it's torture  
And I'm almost there  
It's torture  
But I'm almost there

It's torture  
But I'm almost there  
It's torture  
But I'm almost there
