There is no one left in the world
That I can hold onto
There is really no one left at all
There is only you

And if you leave me now
You leave all that we were undone
There is really no one left
You are the only one

And still the hardest part for you
To put your trust in me
I love you more than I can say
Why won't you just believe?

And still the hardest part for you
To put your trust in me
I love you more than I can say
Why won't you just believe?
