Hopelessly drift in the eyes of the ghost again  
Down on my knees and my hands in the air again  
Pushing my face in the memory of you again  
But I never know if it's real

Never know how I wanted to feel  
Never quite said what I wanted to say to you  
Never quite managed the words to explain to you  
Never quite knew how to make them believable  
And now the time has gone, another time undone

Never quite said what I wanted to say to you  
Never quite managed the words to explain to you  
Never quite knew how to make them believable  
And now the time has gone, another time undone

Hopelessly fighting the devil futility  
Feeling the monster climb deeper inside of me  
Feeling him gnawing my heart away hungrily  
I'll never lose this pain, never dream of you again
