Let me take you on a trip

Let me take you on a trip
Around the world and back
And you won't have to move
You just sit still

Now let your mind do the walking
And let my body do the talking
Let me show you the world in my eyes
In my eyes

I'll take you to the highest mountain
To the depths of the deepest sea
We won't need a map
Believe me

Now let my body do the moving
And let my hands do the soothing
Let me show you the world in my eyes

That's all there is
Nothing more than you can feel now
That's all there is

Let me put you on a ship
On a long, long trip
Your lips close to my lips

All the islands in the ocean
All the heaven's in the motion
Let me show you the world in my eyes

That's all there is
Nothing more than you can touch now
That's all there is

That's all there is
World
(World)
In my eyes
(In my eyes)

(The world in my eyes)

That's all there is
The world in my eyes
The world in my eyes
In my eyes there is
That's all there is
The world in my eyes
The world in my eyes
The world in my eyes
The world in my eyes
The world in my eyes
That's all there is
