And I miss you,
Like the deserts miss the rain,
I miss you
{Oh I miss you}
And I miss you
Like the deserts miss the rain
I miss you, I miss you, I miss you

Without you I'd never make it
I never been to proud to say it
Never been to proud to say I'd die for ya
Time is passin oh I'm missin that
All because I ain't listen and give ya back
What you needed confused it for weakness
Could'ntfeel defeated pretend that I ain't see it
Ma I was happy as hell when me met and chilled
Feelin like I played my self when you left
For real

I let you leave
And now I'm all alone
Where did we go wrong?
We coulda made it work
But I set you free
And now you won't come home
It's been way to long
And I thought I could controll my feelins

I'm finding it so hard to live without your kiss
You made it so hard
I'm fallin apart {Oh yea}
And it would be a mistike to let it fade away like this
{uh huh}
When I was so strong {yea}
But I can't hold on

And I miss you,
Like the deserts miss the rain,
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...

And I miss you
Like the deserts miss the rain
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...

I let you breathe
I thought we needed space
But that wasn't the case
It only made it worse
It's the fight in me
It won't let you escape
I hope it's not to late
I'm tryin to controll my feelins

I'm finding it so hard to live without your kiss
You made it so hard
I'm fallin apart {And it would be a mistake}
And it would be a mistike to let it fade away like this
{when I}
When I was so strong
But I can't hold on

And I miss you, {like the desert}
Like the deserts miss the rain,
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...
And I miss you {Oooh}
Like the deserts miss the rain
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...

Oh yea I miss you baby
You miss me baby
I need your lips
Come and kiss me baby
We used to flip like I would talked crazy
Now I sick cause I'm missin my lady
I miss you mommy
I miss your body
I miss your kiss
I wish you knew I'm sorry
I miss your voice like music to my heart
I need you ma I'm fallin apart
I miss you

I miss you like the deserts miss the rain
And I need you like a picture needs a frame
{And I miss you}

Diamond in the rain
Your blood inside a vein
I need you, I need you

And I miss you, {Ooh}
Like the deserts miss the rain,
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...
And I miss you {Oooh}
Like the deserts miss the rain
I miss you
I miss seein more this can't be it, I need you to show I
miss bein...
