[spoken:]

Dame un momento para pensar nuestro amor

[CHORUS: x2]

Dame un momento para pensar

(You a freak ma, I know your type)

Nuestro amor

(I know I'm a give you ma love) (in just one moment I
could change your life)

[woman:]

See yhu staring way there

Intisapating

For Me To get close to you, and make a move

Show me what a girl like me 'supposed to do.

[man:]

She's what I desire, I can't deny her

Been tryna find her, she's hot on fire

Give me a minute, I know you is with it

Everytime I get in it- I kill it

Trust that we must crush

Like linen

This is what you want-I feel it

If you tryna see how I'm livin

Meet me at the door in five minutes

[bridge:]

Dame tu dame tu dame tu dame tu cuerpo,

Dame tu dame tu dame tu dame tu tiempo,

Dame tu dame tu dame tu dame tu amor

[chorus: x2]

Dame un momento para pensar

(Give me a mintue)

(You a freak ma, I know your type)

Nuestro amor

(I know I'm a give you ma love)

(In just one moment I could change your life)

[woman:]

No more restitution -I've been too patient
I gotta give into you
For what you crave
Gonna make it hot -it's time to misbehave

[man:]

Tu No Tiene verguenza
Biene te pego y me besa
Ere una fiera con naturalesa
Nunca espera siempre comiensa tiene todas las
erramientas
I'm a give you the sabor que tu siempre 'a querido
Sudor a sudor tu cuerpo y el mio
You know how we do
Now oye lo que digo
I give it to you
Now vente con migo
Me fui

[bridge:]

Dame tu dame tu dame tu dame tu tiempo,
Dame tu dame tu dame tu dame tu amor

Nuestro amor
(I know I'm a give you ma love)
(In just one moment I could change your life)

[woman:]

Don't you come at me shy
If you wann'get with me
(And if you wanna get with me)
Run ya game at the end of the night then we'll see
(Oh maybe you'll get everything)
So you roll
If you rush then I'll go do ma thing
(Yea I'll do my thing baby)
I'm a give you a shot
Wanna see what you bring
(Show me what you bring)

[bridge:]
