On your mark  
Get ready  
Set and run away for good  
There's a bold unbridled lie where my soul once stood

Fall apart confetti  
Come on  
Cry right on my sleeve  
I am just a ghost of hearts that break bittersweet

Am I in tune  
Yeah  
I can't hear much but the melody coming from you  
Baby please don't rush  
Keep the tempo slow and blue  
Let me hear the words you say  
Let's go and get tangled in chains of golden days

Counting down  
T-minus 10  
9  
Wait  
I still believe there's a distance in your eyes only mine  
can see

Leave the ground behind us  
I'll be floating 'round your lips  
I am just a host of arms holding one full wish  
Am I in tune  
Yeah  
I can't hear much but the melody coming from you  
Baby please don't rush  
Keep the tempo slow and blue  
Let me hear the words you say  
Let's go and get tangled in chains of golden days

Am I in tune  
Yeah  
I can't hear much but the melody coming from you  
Baby please don't rush  
Keep the tempo slow and blue

Let me hear the words you say  
Let's go and get tangled in chains of golden days

Am I in tune  
Yeah  
I can't hear much but the melody coming from you  
Baby please don't rush  
Keep the tempo slow and blue  
Let me hear the words you say  
Let's go and get tangled in chains of golden days  
Let's go and get tangled in chains of golden days  
Let's go and get tangled in chains of golden days
