Contract killers cannot find me
I'm at home when I'm with you
No matter where I am

Give me my last rights
I'm converted
Forever yours
My horny Lord
We're introverted

The end will be much quicker than the beginning
I'm hoping that the things I said are remaining with you
For every time I doubted you I give myself a shiny
bruise
And I will be the sweetest thing surrendered

Is it too late to say, "I'm sorry"
Some bitter bile for the selfish child who missed his
chance for holy mercy

Better rely on your own sorrow
If this was me I'd let you run away with all you borrowed
The end will be much quicker than the beginning
I'm hoping that the things I said are remaining with you
For every time I doubted you I give myself a shiny
bruise
And I will be the sweetest thing surrendered

The end will be much quicker than the beginning
I'm hoping that the things I said are remaining with you
For every time I doubted you I give myself a shiny
bruise
And I will be the sweetest thing surrendered

The end will be much quicker than the beginning
I'm hoping that the things I said are remaining with you
For every time I doubted you I give myself a shiny
bruise
And I will be the sweetest thing surrendered
The sweetest thing surrendered
