Come and take me out on your arm and in a car
Go anywhere at all
At all
At all

Go and call me
I'll meet you there
And while you're gone I'll sing along
I'll sing along
Along

3 day old lover
I barely know you
3 day old lover
Will you be true

Come and get me
I'm waiting here
I'm all alone
Pick up the phone
Pick up the phone
3 day old lover
Here's a song for you
3 day old lover
Are we red or blue
Red or blue

Come and take me out
Come and take me out
Come and take me out
Come and take me out

3 day old lover
I barely know you
3 day old lover
Will you be true

3 day old lover
Here's a song for you
3 day old lover
Are we red or blue

Red or blue
Are we red or blue
