Mama's gonna buy you a big black coffin  
She doesn't like the one uncle Sam's been offering her  
Yeah  
You're going out in style

Mama's gonna raise all the sons and daughters  
Fathers fell by men and men in squalor  
Yeah  
She'll miss you for a while

We don't feel the shame  
And we don't take the blame  
Men on TV tell me there's no other way  
We've got to take mama's baby away  
Mama's gonna run out of means and wages  
She'll have to beg for sympathy from desolate cages  
Yeah  
She's dragging skin and bones

Mama's gonna turn to the politicians  
For answers turned to smoke and smoke by apparitions  
Yeah  
She's bound to beg and roam

We don't feel the shame  
And we don't take the blame  
Men on TV tell me there's no other way  
We've got to take mama's baby away

We don't feel the shame  
And we don't take the blame  
Men on TV tell me there's no other way  
We've got to take mama's baby away  
Gotta take mama's baby away
