One summer night, we fell in love
One summer night, I held you tight
You and I, under the moon of love
(Moon of love, yeah)

One summer night, I kissed your lips
One summer night, I held you close
You and I, under the moon of love

You kissed me, oh, so tenderly
And I knew this was love
And I as held you, oh, so close
I knew no one could ever
Take your place, whoa

One summer night, we fell in love
One summer night, I held you tight
You and I, under the moon of love
(Moon of love)
