Waited up for good news
To see if it would brew
You picked my brain and scattered the waves
But you say it's not enough
I'm still thinking like the rest of them

I found the cure for failing
In an empty room somewhere
My memory lacks from the attention span of a kid who
got nowhere
And is waiting on his chance to play

Said it once and you say that you're doing fine
It's all to hell but it's alright, it's alright
Forever feeling lonely
Forever feeling out of touch
Alright, it's alright

Now I'm untying wires
That never pulled for me
The final dance from your marionette
Now a boy who's off the string
And stopped waiting for his chance to play

Said it once and you say that you're doing fine
It's all to hell but it's alright, it's alright
Forever feeling lonely
Forever feeling out of touch
Alright, it's alright

Oh Yeah!

Said it once and you say that you're doing fine
It's all to hell but it's alright, it's alright
Forever feeling lonely
Forever feeling out of touch
Alright, it's alright

Oh Yeah!

Waited up for good news!
