I'd rather watch Mexican TV  
Than to finish this talk with you  
There's no other end of the bargain  
I've done everything I can do  
There's a war outside won't you let me in  
I'm not the traitor saving his skin  
I'm not saving my skin

If you want to drink  
You better do it right  
If you want to argue  
Then put up a fight  
If you want to cry  
Than do it at night  
Because I don't want to see

If you want to go  
Then go and hit the road  
If you want to stay  
Just say so  
If you want love  
Let it be me

I'd rather dig a hole to china  
Than to go on convincing you  
I'm not like the ones who came before  
Don't compare this to something you knew  
Our days are numbered and I don't want to count  
One of these days they'll all run out  
One of these days they'll all run out

So if you want to drink  
You better do it right  
If you want to argue  
Then put up a fight  
If you want to cry  
Than do it at night  
Because I don't want to see

If you want to go  
Then go and hit the road  
If you want to stay

Just say so  
If you want love  
Let it be me
