711: Hello, 711, may I help you?
Lars: Hey, what time are you guys open until?
711: We're open 24 hours.
Lars: Do you guys have Slurpees?
711: Yes we do.
Lars: What's the best flavor you guys have?
711: Huh?
Lars; What flavors do yo you have?
711: We have Coke, strawberry, purple berry, cherry, Black raspberry, Frog, and Mountain Dew.
Lars; Hey, we're on vacation from Pheonix and I'm in a Band called the Firebirds. It's a hip-hop band. If we perform could we get a free Slurpee?
711: No you can't.
Lars: Do you think we can perform outside and make some Money and pay for the Slurpee through that?
711: Right now you can't do that because if the cops Come they will arrest you.
Lars: Because I don't have a performance liscence?
711: No, because it's late. You're not allowed to do Any performance after 10 inside a neighborhood.
Lars; So tomorrow morning around 11 maybe?
711: Uh, no.
Lars: What time? 11 am.
711: No. You guys can't. You have to go through the Company.
Lars: Can I do it down by the beach and then take the Money?
711: That's up to you guys. We're not involved with That part.
Lars: We just want it, because we're on vacation we ran Out of money because we paid all of our Money on the hotel and we're on vacation.
711: I don't know.
Lars: Okay, well we'll come by, we'll probably get the Cherry one.
711: That's up to you guys but you can't perform here.
Lars: Will we get in trouble if we perform and get the Cherry one?
711: Huh?

Lars: Like if we buy the cherry Slurpee will we get in Trouble? If we buy one of the specific

Slurpees is there a better possibility that we won't Get in trouble?

711: If you guys buy it, yeah, you won't get in Trouble. But if you guys don't, then you will Get in trouble.

Lars: Is there one that's safer? Like the blueberry Because less people want it?

711: Huh?

Lars: I was wondering if there's a correlation between Slurpee and potential of not getting in trouble With the Hawaii police. You know what I'm saying? Like If we perform and buy a Slurpee that's less popular.

711: That's up to you guys if you want to perform but You guys are not allowed to perform on a 711 property. You guys can go perform someplace else and if you guys

Do make the money, then you guys can come over here And buy your Slurpee.

Lars: Okay, here's what we'll do, if we make enough We'll buy you a free Slurpee and give our new CD called

"Straight Outta Phoenix".

711: But, um, we only work until 6, so...

Lars: Okay, well we'll be by before 6.

711: Um, you guys can't perform even before six.

Lars: Then we'll do it tomorrow. We'll come by Tomorrow.

711: You guys got to do it like maybe at 8, 9 o'clock.

Lars: If we write a song about 711 will you guys play It in the store on your CD player if we give it to you?

711: We're not allowed to do that. You've got to go Through the main company.

Lars: Okay, I'll call them.

711: Okay.

Lars: Thanks.

711: Do you need the number?

Lars; Do you have it?

711: Yes.

Lars: Okay, I'll call them, and Aloha, that means Goodbye in Hawaii too, right?

711: Yes.

Lars: Aloha.

711; Bye.

Lars: Bye.
