[Puffy Intro]

I thought I told you

That we won't stop

I rock the party

That rocks your body

I'll rock the party

That rocks your body

Let's go

(MC Lyte)

1 -

I rock the party that rocks the body

You rock the party that rocks the body

I rock the part

Y that rocks the body

You rock the party that rocks the body

(MC Lyte)

So what's your status?

I be the baddest

B to hit the scene since the gangsta lean

I'm all ears

So what you got to say

I hope you bubbling it baby

Now bubbling it my way

Let it rain

Ain't no sword up in the game

Still want you the same

Ain't a thing changed

Instead of knocking boots

We be kicking down Gore-Tex

Except it ain't raw sex

Roughnecks

Throw your hands in the air

Lemme hear you say, Oh Yeah

Trust you me I blow up shop

About to blow the roof right off of hip hop

Repeat 1

Repeat 1

(MC Lyte)

I'm scorching hot

Burn the roof off the jam

Got a lot but I'm cramming to understand

How I got it like this
See I'm gifted and blessed
But I'm never lifted off of any kind of 'cess
I stress that I'm a witness to this jam
Lyte the MC is who I am

(MC Lyte)

I cold rock a party and the B girls stand
I rock on the floor make the fella's run to dance
Now I be the uh and it's all good
And if you understood, um
Trust you me I blow up shop
It ain't nuttin' but real hip hop

Repeat 1

Repeat 1

(MC Lyte)

Some say I'm shady (that's right)
That's me, complicated rap star
Meet Lyte the MC
You see I'm on to you baby and your mechanism
How you hit it when you're in it
So hot you keep it fizzling
No, oh ah she ooo
And all of that too

Keep me wetter than the waters of Kalamazoo
Nigga who you come here wit?

Where your posse at?

And leave the boys alone

Tell her you won't be back

I got the cheese baby

My cheddar's better

I got that milk

For that Amaretto

Trust you me I blow up shop

Had a little nig' calling the cops

Watch

Repeat 1

(MC Lyte)

I rock the party that rocks the body
You rock the party that rocks the body, body, body

I rock the party that rocks the body

You rock the party that rocks the body

(MC Lyte)

I rock the party that rocks the body

You rock the party that rocks the body

(Puffy)

Upside down you turning me, turning me

Round and round you turning me, turning me

Repeat 1

Repeat 1

(Puffy)

Upside down you turning me, turning me

Round and round you turning me, turning me
Upside down you turning me, turning me
Round Round round round round
Turning me turning
