Remember that night,
So cold and so dark,
Kind of like your heart...

I wanted to die,
I wanted to cry,
I wish we can go from the start.

I'm trying to run,
I'm trying to hide,
But just know that I will...

Cry tonight
My hands around your hands
I won't let you...
Die tonight
My heart's in your hands
I won't let you...
Die

Don't want to fight,
I don't want to write,
Any more songs about you.
Still waiting it out,
Why do you have to shout,
I just want to forget you.

I was trying to run,
Trying to hide,
But just know that I will...

Cry tonight
My hands around your hands
I won't let you...
Die tonight
My heart's in your hands
I won't let you...

Die, Die, Die
I won't let you...
Die, Die, Die

I won't let you...
Dieeeeeeeeeeeeeee
