[Missy]

I can rock a party with a glass of Hennessey
I know I make yall sick with the way I boogie
My fake ass friends wanna hang out tonight
I tell æ...¹m follow me then I ditch æ...¹m at
the light
I see æ...¹m at the club, they wanna know why I
whilin? Cause I smoke weed now I high like a pilot
Spendin? more cheese than you throw on a salad
Hand me my mike, if you æ...´out it, then I æ...´out
it

[MC Lyte]

Mmmm, yea I æ...´out it
DonæŠ° doubt it, donæŠ° doubt it
I the MC Lyte boo but please donæŠ° crowd me
Cause my security might get rowdy
Make æ...¹m punch you out and watch your vision go
cloudy
Now all you freaks wanna speak 'cause I back
Stick to your gossip like the glue to your tracks
I never liked your ass, by the way, 'cause youæŠ®e
wack
Give a dog a bone so hereæŠˆ a Lyte snack

[Mocha - CHORUS]

Yo yo (yo) want what i got
Come through then
You at home wit? a safe you ainæŠ° got nothin?in
Ask how I got it and keep it comin?in
>From hustlin? doublin?and publishin?(publishin?
Want what I got
Come through then
You at home wit? a safe you ainæŠ° got nothin?in
(nothin?in)
Ask how I got it and keep it comin?in
>From hustlin? doublin?and publishin?

[MC Lyte - Verse Two]

Used to be a rookie singin?Latti Datti
Now me and Missy beco-rockin?the party
Flooded Movado ainæŠ° I fly though

Never let æ...¹m see you comin? thatæŠ´ my motto
læŠ; on it, læŠ; on it, I had the nigga goin?Said I was
hot tomali, mind blowin?ItæŠ´ crucial, how some folks
get bourgeois
Or bourgeois, did I lose you or did you lose me
Either way we miles apart
læŠ; hittin?the ribbon, you at the start
læŠ; never, ever, ever, gonna let you think
That your shit donæŠ° stink
So donæŠ° come around here thinkin?you canæŠ° get
it
YouæŠ£I be the first to admit it
How you got punked by hip-hopæŠ´ greatest
Missy and Lyte bringin?you the latest, yo yo

[Repeat CHORUS]

[Missy]

I treat niggas like they my hoe
Blaze æ...¹m then I go
Straight to the Nikko
Meet another Puerto Rico
Cute like tico
Copy me like kinko
You know læŠ;a freak, yo
I donæŠ° love them amigos
læŠ; straight to their pockets
Bow all their sockets
læŠ; plush like carpet
They wanna stick the target
I donæŠ° give a fuck what you rock
'cause you see what I got, want what I got

[Repeat CHORUS]

[Mocha]

Want what I got

[Repeat CHORUS]
