My life is different
Where I belong
No one is listening... I assume

You've got to go to the top of the world to see me go
To the top of the world... uuuuhh

The boy on the moon's getting restless
I should never have wished for this
Sad and all alone
The boy on the moon's sick of crying
Trying everything to get back, get back home

Uhhhhhhhh...

I dream away the day
Sleeping in the sea
you see the only time its dark now

uhhhh

The tranquility
You've got to the top of the world
To save me
Go to the top of the world uhh iuhh uhh
The boy on the moon's getting restless
I should never have wished for this
Sad and all alone
The boy on the moon's sick of crying
Trying everything to get back
Get back home

I'll do anything to find a way to fly away
