Where do I go when I'm walkin' out the door,
And what do I say when it's all been said before,
But how do I lie to myself when you know it's true,
We both love like it's the last thing we'll ever
do.

Oh Oh whoa oh
Like it's the last thing we'll ever
Oh Oh whoa oh

How can I smile when you're the only one that
made me laugh,
Yeah you're the only girl who made me feel quiet
like that
Cause sooner or later I'm bound to hear our song
Oh man how can somethin' so right be so wrong.

Oh whoa Oh whoa oh oh
Like it's the last thing we'll ever do.
Oh whoa Oh whoa oh oh

Oooh Whoa
Ooooh

Like it's the last thing we'll ever do.

Oooh Whoa
Ooooh

Yeah yeah yeah

Oh. Oh whoa oh
Yeah it's the last thing we'll ever do.
Oh Oh whoa oh

I wanna hold your hand when you get all shy,
Cause you act so tough but I know when you're
about to cry,
But how can we lie to ourselves when we know it's
true,
We both love like it's the last thing we'll ever
do.
