Well they don't like me down the WMC  
I tried to get in but they wouldn't let me  
They think that I'm gonna start a riot  
And spoil all their peace and quiet  
So where's the cheapest beer out of town  
W.M.C W.M.C  
And where do we all wanna buy a round  
W.M.C W.M.C  
Well some men work, some drink here  
W.M.C W.M.C  
Well I got black balled and I can't buy me beer  
W.M.C W.M.C  
Let's go! Come on!  
Still they don't like me down the WMC  
Quiz and bingo and karaoke  
Well the fisherman's here 'ave yer got any crabs  
I said stop takin' the piss lads!  
They think that I'm gonna start a riot  
And spoil all their peace and quiet  
So where's the cheapest beer out of town  
W.M.C W.M.C

And where do we all wanna buy a round

W.M.C W.M.C

Well some men work, some drink here

W.M.C W.M.C

Well I got black balled and I can't buy me beer

W.M.C W.M.C

Let's go! Come on!

Still they don't like me down the WMC

Quiz and bingo and karaoke

Well the fisherman's here 'ave yer got any crabs

I said stop takin' the piss lads!

Let's go! Kick off!
