Did you say I've got a lot to learn
Well, don't think I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight

Starting with the ABC of it
Right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight

The skies a blackboard high above you
If a shooting star goes by
I'll use that star to write, I love you
A thousand times across the sky

One thing isn't very clear, my love
Should the teacher stand so near, my love
Graduation's almost here, my love
Teach me tonight

One thing isn't very clear, my love
Should the teacher stand so near, my love
Graduation's almost here, my love
Teach me tonight
Teach me tonight
