Too late now to forget your smile
The way we cling
When we've danced awhile
Too late now to forget
And go on to someone new

Too late now to forget your voice
The way one word
Makes my heart rejoice
Too late now to imagine
Myself away from you

All the things we've done together
I relive when we're apart
All the tender fun together
Stays on in my heart

How could I ever close the door
And be the same as I was before
Darling, no, no, I can't anymore
It's too late now

How could I ever close the door
And be the same as I was before
Darling, no, no, I can't anymore
It's too late now
