Four score years
Living down in this rain swept town
Sea salt tears
Swimming round as the rain comes down
Mr Postman, do you have a letter for me?
Mr Postman, do you have a letter for me?
A letter for me
From my own true love
Lost at sea
Lost at sea
Mr Postman, do you have a letter for me?
Mr Postman, do you have a letter for me?
A letter for me
From my own true love
Lost at sea
Lost at sea
