You belong to the gang  
And you say you can't break away  
But I'm here with my hands on my heart

Our families can't agree  
I'm your brother's sworn enemy  
But I'd shout out my love to the stars

So await for the stone on your window, your window  
Await by the car and we'll go, we'll go

When first we laid eyes  
I swore to no compromise  
'Til I felt my caress  
On your skin

Well how soon we were betrayed!  
Your sister gave us away  
And your father came all  
Unhinged

So await for the stone on your window, your window  
Await by the car and we'll go, we'll go,

But O Valencia!  
With your blood still warm on the ground  
Valencia!  
And I swear to the stars I'll burn this whole city down

All I heard was the shout  
Of your brother calling me out  
And you ran like a fool  
To my side

Well, the shot it hit hard  
And your frame went limp in my arms  
And an oath of love  
Was your dying cry

So await for the stone on your window, your window  
Await by the car and we'll go, we'll go

But O Valencia!  
With your blood still warm on the ground  
Valencia!  
And I'll burn this whole city down

Valencia!  
With your blood getting cold on the ground  
Valencia!  
And I swear to the stars I'll burn this whole city down
