It's inside me
Vulgar state of mine
It describes me

I can feel it crawling
Searing my skin
Diving into wasteland
Dismantle the claws
That are nailed to my aura
Purify

Inside my head
Things fall into pieces again
Depriving my sanity
And all I pray for is that it
Exits my body on mass
Exit my body on mass

Can you feel me?
Who is touching?
Can you feel Me?

You can slap me with it
Beat me blind
I no longer feel you
Appearing numb from all emotions
Sour and stale

Can you sense me?
Who is breathing?
Can you sense me?
Understand

Inside my head
Things fall into pieces again
Depriving my sanity
And all I pray for is that it
Exits my body on mass
Exit my body on mass

Majestic rush
It's a total release

Wash it all away
Love this
Love you
Reborn again
Love this
Love you
Reborn again

Inside my head
Things fall into pieces again
Depriving my sanity
And all I pray for is that it
Exits my body on mass
Exit my body on mass
