Down stay down just because I fucking say so
Don't question who I am
Forsake all your needs
And all I want is what you crave
You know my demands are unreal

Minimize
Circumcise
Your being
Pulverize

Down you kneel
It turned out unreal
Sterile life
Fading slow
You bury it deep down inside

From the start I pissed down your back
Not giving any slack
I am god on earth
I'll take you down understand
That there's no way out
