All of your friends said  
That you loved me  
But I didn't half believe them  
I never any knew any girl like you  
You always seemed to know  
How to make my feelings show

#### CHORUS

I guess you already knew that I'd love you  
That's what made your lovin' me so right  
Yeah, I guess that's the truth  
'Cause I'm thinkin' just 'a you  
Every day , every night

Yeah, you already knew that I'd love you  
Now I think I finally see  
'Cause my fav'rite thing to do  
Is to think of lovin' you  
Lovin' me

'Cause my fav'rite thing to do is to think of  
Lovin' you lovin' me

I tried to fool you  
But I didn't  
'Cause I couldn't keep resistin'  
I couldn't hide what I feel inside  
Each time you'd look my way  
I was lost except to say

(Repeat chorus)
