"I Love Everything You Do"

I've sung a lot of love songs
And you've probably heard them all
But I've never sung the one I'm singin' now
I just had to let you know
In a very special way
And this seemed the way to tell you somehow

I'm singing this song
To only you
Nobody else, girl - are you listenin' ?
It's just for you
I'm singing this song
To only you
'Cause I want you to know
I love everything you do

I feel so warm just thinkin'
Of us walkin' hand in hand
And your smilin' face is always on my mind
I can hardly stand the wait
'til we're together once again
So you know I've got to say one more time

(Repeat chorus...)
